WARING 80+

Our Mission

Waring Commercial, a global leader in foodservice equipment, is dedicated to providing innovative, reliable and value-driven solutions that inspire creativity, increase productivity and maximize profitability for the culinary community.

Our Story

Waring introduced the first blender over 80 years ago in the USA. We honor our heritage as an innovator and specialist, continuing the expansion as a leading provider of BLEND – PREP – COOK – BREW solutions for the global foodservice industry. In 1977, our manufacturing roots were planted in McConnellsburg, PA, where we still build our iconic blenders today. Now, more than ever, Waring Commercial distinguishes itself as a brand of impact that empowers our customers to adapt, enhance and endure to overcome the challenges of today's rapidly changing commercial foodservice climate. Our commitment is to help in the global reduction of food waste through education, innovative products and unique solutions in the pursuit of a sustainable future.

IMAGINE. INVENT. INSPIRE.™

TORQ 2.0

Vinyl lid for hot and cold food and beverage blending with removable center cap that locks into place or can be removed to feed ingredients while blending.

1.4 L BPA-free copolyester, clear-view stackable jar – commercial grade, heavy duty and break resistant. Uniquely shaped for maximum efficiency and performance. English and metric graduations.

Heavy-duty stainless steel blade with solid steel blending assembly – built to last, but completely user-replaceable. This aggressive blade design is configured specifically for this jar and is engineered to crush ice instantly.

Heavy-duty base with powerful 2 HP, 1500-watt motor – this amazing combination makes for big power yet small footprint and includes a removable jar pad for easy cleanup.

The Torq 2.0 Blenders feature three control styles – a simple toggle switch control, electronic keypad with 60-second countdown timer, and variable speed control dial.

TORQ 2.0 Medium-Heavy Duty Food & Beverage Blenders TBB Series†

Recommended for 50–74 drinks per day

- Vinyl lid for hot and cold food/beverage blending
- Removable center cap to feed ingredients while blending
- Heavy-duty stainless steel blade with solid steel blending assembly – built to last, but completely user-replaceable
- Aggressive blade design works in concert with the wide jar base to draw maximum amount of product into the vortex
- Powerful enough to crush ice in seconds
- Heavy-duty motor – high performance, 2 HP, 2-speed motor, with 24,000 max RPM. Recommended for 50–74 drinks per day, and blends three 475 ml margaritas in 8 seconds or less

220/240V, 50/60Hz

CE, RoHS

Sound enclosure retrofits all Waring® Commercial Xtreme® Series Blenders – reduces noise by over 50%.

Vinyl lid for hot and cold food/beverage blending and removable center cap that locks into place or can be removed to feed ingredients while blending.

The Raptor® – 2 L BPA-free copolyester jar – is extremely durable and works on all Waring® Commercial Xtreme® Series Blenders. The wide, tamper-free jar design maximizes efficiency and improves the blending process.

Heavy-duty stainless steel blade with solid steel blending assembly – built to last but completely user-replaceable. This aggressive blade design works in concert with the wide jar base to draw the maximum amount of product into the vortex.

Heavy-duty base with powerful 3,5 peak input HP motor and removable jar pad is durable and designed to absorb sound while stabilizing the blender during intense operation.

Electronic keypad with 4 reprogrammable beverage stations, 2-step program options, LCD screen with countdown-timer display, total daily drink counter, Dual Pulse feature with reprogrammable speed control and variable speed power options.
